

June 2023 – Literature Committee Chair Report

Good evening, all – I apologize for not being here tonight but I know that Deborah will do an amazing job representing the literature committee.

The last month has been a little quiet, but we are still trying to get the word out that the literature committee is available for any event or meeting that wants us 😊

In the last month, Deborah presented AA's service structure to Sisters in Sobriety, which I heard was a great success and very informative.

I will be presenting on the AA Group pamphlet – “The AA group...where it all begins” to Sisters in Sobriety on the 28th.

Our meeting day/time/location was updated on the website – thank you Deborah!

Our next literature committee meeting is next Wednesday at 5:30 a the North Port Library. We will be working on a flyer for the committee to get out to the groups so they know we are here as a resource.

As always, I am blessed and honored to by your Literature Committee Chair.

In love and service

Jill M.
