

## April/May 2023 – Literature Committee Chair Report

Good evening my name is Jill, I'm an alcoholic and also the literature committee chair.

The last couple of months have been intense with preparing for the April assembly and making sure our district 5 fellowship is fully informed.

There were many literature items on the agenda for this year's general service conference so Isabel, the area literature chair, hosted a zoom call for all district literature chairs to discuss the items and prepare a power point presentation for the assembly. This was extremely helpful and informative.

Both Deborah and I attended the literature committee meeting at the assembly. The power point previously prepared by all the district chairs was presented to all in attendance. There was robust discussion on the items especially the one concerning the translation of the big book into plain and simple English. Just about all the agenda items either did not require a group conscious vote or had already been previously voted on (as with the plain and simple language translation) and updates were being provided.

I also attended several other workshops/meetings and always feel more connected to the area 15 fellowship for it.

Deborah and I had our monthly literature committee meeting on Wednesday April 26<sup>th</sup>. We worked on and discussed a presentation on AA's service structure that Deborah is presenting to Sisters in Sobriety.

It's necessarily literature related but Deborah has been kind enough to bring flyers for some virtual workshops on the traditions.

Its wonderful to see our district getting involved and wanting to educate themselves on the importance of our service structure.

As always, I am blessed and honored to by your Literature Committee Chair.

In love and service

Jill M.
